Welcome Back--Cubmaster, Mike Akers

Topic: Positive Attitude

A few years ago, there was a wildlife organization out west, that offered a bounty of \$5,000.00 for wolves captured alive. It turned two friends, Sam and Jed, into fortune hunters. Day and night, they scoured the mountains and forest looking for their valuable prey. Exhausted one night they fell asleep and dreamed of their potential fortune. Suddenly, Sam woke up a bit startled, to see that they were surrounded by about 50 wolves with searing black eyes, and bared teeth. He nudged his friend and said "Jed, wake up! I think we're Rich!" Gentlemen, Sam had a positive attitude.
